

# AYURVEDIC QUESTIONNAIRE

For the five profile tables on the next few pages:

1. Circle the phrase that best describes your qualities for each of the categories in the profiles on the following pages.
2. Tally the number of circles for each column on the total lines at the bottom of each profile table.
3. Transfer the totals for each profile onto the grand totals table on the last page.
4. Your grand total will indicate your Ayurvedic constitutional type.

For some people one dosha is clearly dominant, while others are a combination of two or all three. It is interesting to note any profiles in which your high score significantly differs from the dosha grand totals. For example, if your grand total shows strong Kapha dominance with Pitta secondary, and your behavioral profile is overwhelmingly Vata, that would be an area of your life worth examining.
